For **good.** For **ever.**<sup>®</sup>

*Celebrating 45 Years of Service*

## MISSION AND WHO WE ARE

To enrich the quality of life in the Shiawassee County region by building sustainable funds from a wide range of donors to fund emerging community needs.  
For Good. For Ever.

The Shiawassee Community Foundation is a 501 (c) 3 independent public charity offering individuals and institutions a way to give back to their community. Donations made to the community foundation are accepted in any amount and may be used to either start a new fund or add to an existing fund. All donations are deductible as a charitable gift for Federal income tax purposes. The community foundation is governed by a board of directors and is subject to the rules and regulations of the Internal Revenue Service and the State of Michigan. The community foundation is in compliance with the National Standards for U.S. Community Foundations.

### SCF Welcomes a New YAC Advisor and Administrative Assistant

In fall 2019, some changes in staff took place. As mentioned in the November newsletter, we have welcomed our new YAC Advisor/Creative Assistant, Lora Phelps and our new Administrative Assistant, Denise Poirier! Lora comes with almost 10 years of experience in college admissions and registrar roles and Denise worked for Michigan State University for 30 years, most recently for the Dean of Lyman Briggs College. Both have jumped right in and have been excellent additions to the Shiawassee Community Foundation family. Welcome Lora and Denise!

## LETTER TO THE COMMUNITY

As I look forward to a new decade, I'm reminded of the past and how memories and experiences shape our future and make us contemplate and adjust our goals and dreams. My family recently lost a wonderful, loving, crazy, energetic friend in the blink of an eye and all our friends and those who knew him are still in shock at how quickly your world can turn upside down. It became another reminder of the importance of family and close friendships. It's the legacies and the memories we leave that will live on forever in the minds and spirits of those we love. The time we use to share our talents and to share the life lessons with our future generations are some of the most important moments in our lives. It is those memories that remain in our hearts.

This is the fundamental entire reason for the Foundation's existence. A way for individuals to leave a legacy that can make a difference, not only for our present generation, but to continue to help future generations who also want to make our world a better place. We leave legacies for our children and their future children. We can teach others how to give back and care about our community and its future!

Last year the Foundation celebrated its 45th Anniversary at our scholarship night. It was a wonderful event that memorialized those we have lost by giving back to our future generations! All the scholarship recipients were very thankful and excited to meet the donor families who made a difference in their lives. The Foundation loves hosting their scholarship night with everyone and is looking forward to this year's celebration of life and recognizing our future generation!

This year brings many exciting updates for the Foundation. It is our Youth Advisory Council's (YAC) 25th year Anniversary! Our YAC students will be celebrating throughout the year by completing 25 Random Acts of Kindness throughout Shiawassee County! More information will be coming in our quarterly newsletters about these Acts of Kindness. If you want to get involved to help our students reach their goal, please contact our new YAC Advisor Lora Phelps at the Foundation.

You may have already read about our #RaiseUPShiawassee campaign in the papers. Raise Up Shiawassee is a local campaign that started 3 years ago with an idea from a local non-profit organization who heard about the global giving movement, #GivingTuesday (which is the Tuesday after Thanksgiving). Local non-profits began to collaborate and plan their giving movement...and together the collective #RaiseUPShiawassee campaign began.

This year, the Shiawassee Community Foundation worked with the Cook Family Foundation and United Way to help #RaiseUPShiawassee with 19 total non-profits. Together, the group organized a "Find Your Non-Profit Soulmate" event which began as a night for local residents to meet with Shiawassee County non-profits and find their "volunteer soulmate". The event was held at the Armory and all the non-profits that participated had a wonderful time connecting with members of the community. This event ended up receiving global recognition from the #GivingTuesday originators in New York! Together, all 19 participants raised awareness about their organizations, obtained new volunteers, and raised over \$78,000! We all have SOMETHING to give – whether that be our time, our talents, or our donations.

Together, the Foundation Board, Employees and Donors are looking forward to continuing the growth of the Shiawassee Community Foundation and witnessing the giving spirit of our community in 2020!

**Kimberly Renwick, Executive Director**

The Shiawassee Community Foundation continues to be compliant with the U.S. Community Foundations accreditation program for National Standards. National Standards indicates that the Shiawassee Community Foundation is a responsible steward of contributions and are dedicated to the community, its partners and leaders.

# Scholarship Awards Night 2019

The Foundation held its Scholarship Awards Ceremony on Thursday April, 18 at D'Mar Banquet Center in Owosso.

Over \$175,000 was awarded in scholarships to nearly 200 students from the Shiawassee County area. Tricia Murphy-Alderman, Superintendent of Byron Area Schools and SCF Board Member, delivered the keynote address with opening and closing remarks by Kim Renwick, our Executive Director. The ceremony was also a time to celebrate the Foundation's 45th Anniversary!
