# ABOUT THE FOUNDATION

## Mission

To enrich the quality of life in the Shiawassee County region by building sustainable funds from a wide range of donors to fund emerging community needs.

For Good. For Ever.

The Shiawassee Community Foundation began in 1974 with \$5 and a simple vision: improve the quality of life for people in Shiawassee County.

Forty-six years later, that vision is still being realized through the distribution of more than 100 scholarships and grants annually. The combined assets of the funds managed by the Foundaion have grown to exceed nearly \$10 Million.
