**SHIAWASSEE**

— COMMUNITY FOUNDATION —

For **good.** For **ever.**®

## MISSION AND WHO WE ARE

To enrich the quality of life in the Shiawassee County region by building sustainable funds from a wide range of donors to fund emerging community needs.

For Good. For Ever.

The Shiawassee Community Foundation is a 501 (c) 3 independent public charity offering individuals and institutions a way to give back to their community. Donations made to the community foundation are accepted in any amount and may be used to either start a new fund or add to an existing fund. All donations are deductible as a charitable gift for Federal income tax purposes. The community foundation is governed by a board of directors and is subject to the rules and regulations of the Internal Revenue Service and the State of Michigan. The community foundation is in compliance with the National Standards for U.S. Community Foundations.

### Thank you, Becky Landris

The Shiawassee Community Foundation would like to thank Becky Landris for her years of service to the Board of Directors. After retiring from Durand Area Schools after many years as a School Counselor, Becky joined our board in 2015. In January 2021, Becky stepped down from our board and will be enjoying much of her time traveling to the sunny states and up north.

Thank you, Becky, for your dedication and years of service to SCF. We wish you well!

## **LETTER TO THE COMMUNITY**

What a time to begin a new decade! Like many of you, I dread looking back at what started out to be a great year and ended up being the year many of us would like to forget. We at the Foundation started out the year like everyone else, with great anticipation that our economy was improving, and Spring would jump-start us into a growing, productive year. That is until Covid-19 appeared and everyone began to lockdown and our world as we know it turned upside down.

What did we learn from this past year? Sure, there were (and still are) frustrating times of not being able to see our beloved friends, and family like we were used to. Many of us can no longer go to our offices for work, and we had to figure out how to continue working from home offices with our family surrounding us 24/7. Through all of this, however, I feel there are some valuable lessons we have all learned from this pandemic. This past year most of us have spent more time at home than we ever did in the past. Families are sitting at the dinner table again and children are getting help on their homework. We have a new appreciation for the loved ones we have not been able to visit and we have found creative ways to visit or send them messages. This year certainly has taught us to appreciate the little things in life.

The Shiawassee Community Foundation has also found creative ways to continue our mission this past year. Since March, our board has been conducting meetings online via Zoom. Our scholarship awards could not be in person, so we put together a countdown for students to get them excited about the final scholarship announcements. We continued to work with students and nonprofits via e-mail and phone calls. Our building has been closed to the public, but we continue to meet donors and board members by appointment, through zoom meetings, and are rotating our time working from home and the office.

This spring, our board saw the pandemic severely impact local nonprofits who were not able to conduct their normal fundraising activities. In response to this need, the foundation board created a COVID-19 Community Cares Grant using some of our unrestricted funds together with a grant from the Consumers Energy Foundation. To date, over \$14,000 has been granted to support local nonprofits in continuing their mission!

Our Youth Advisory Council students were still able to complete their regular Christmas Wishes program and provided gifts for 38 families (95 children) this year. Our national Giving Tuesday team decided to have a Giving Tuesday NOW event in the Spring (May) to help local nonprofits raise money during this pandemic to replace fundraisers that were cancelled. In two weeks, 19 local nonprofits worked together to raise awareness and funding (a little over \$28,000) to support their mission. The Foundation also coordinated the 4th annual Giving Tuesday collaboration - Raise Up Shiawassee with the help of the Cook Family Foundation and United Way. This fall's yearly Giving Tuesday campaign (which is the Tuesday after Thanksgiving) included 24 nonprofits. Our slogan "Give Where You Live" was very productive and we partnered with the Shiawassee Chamber, SEDP and many local businesses who assisted us with publicizing this message through billboards, LED signs, and yard signs throughout town. Together, the nonprofits met their goal of \$100,000 and 100 hours of volunteer time.

While 2020 was a very difficult year for everyone, the Foundation genuinely witnessed our community coming together and working for one purpose...for good. Together, with the help of your giving hands, we truly were stronger!

Take care and stay safe!

**Kimberly Renwick, Executive Director**

P.S. Our YAC Advisor and Creative Assistant, Lora, had a baby girl in the fall also. Such a beautiful gift during these difficult times!

The Shiawassee Community Foundation continues to be compliant with the U.S. Community Foundations accreditation program for National Standards. National Standards indicates that the Shiawassee Community Foundation is a responsible steward of contributions and are dedicated to the community, its partners and leaders.

# Scholarship Awards 2020

Like many things this past year, we had to adapt and alter our typical procedures and events! Because of the COVID-19 pandemic, our scholarship awards ceremony had to be canceled. Though we could not celebrate and acknowledge in person, we wanted to ensure all recipients were still recognized, so we got a little creative!

We posted a virtual countdown via social media leading up to the day the awards were announced. The day the scholarship ceremony would have taken place, we posted our program with each scholarship listed and the recipients for 2020. The Argus Press and The Independent also printed the scholarship awardees and they were announced to school counselors so they could congratulate their students as well.

Congratulations again, 2020 scholarship recipients!

# What is the Youth Advisory Council?

## WHAT DOES THE YOUTH ADVISORY COUNCIL (YAC) DO?

**Volunteering:** Many community organizations ask the YAC for help with local events ranging from litter cleanups to food giveaways to 5k races. YACers are always ready to lend a hand in their community.

**Philanthropy:** The YAC sponsors charitable events throughout the year, including projects like giving out Thanksgiving meals for Family Volunteer Day, purchasing Christmas gifts for low-income families, and providing essentials kits to a local homeless shelter.

**Grantmaking:** Each year, the YAC awards grants from the W.K. Kellogg Fund to community non-profits and school organizations for youth-related projects in Shiawassee County. YAC members review the applications and make funding recommendations that are then approved by the SCF Board of Directors.

## WHO CAN JOIN THE YOUTH ADVISORY COUNCIL (YAC)?

Shiawassee County residents (including Chesaning and Ovid-Elsie) aged 12-21 are welcome to apply to be a member of YAC.

## 2019-2020 YAC Executive Board

President- Elizabeth Tolrud, Owosso High School

Vice President- Matt Bishop, New Lothrop High School

Secretary- Grace Knickerbocker, Perry High School

Treasurer- Kyle Taft, Perry High School

# New Funds

Below are the funds that were established at the Foundation in the 2019-20 fiscal year.

## **Jokinen Family Endowed Scholarship Fund**

The Jokinen Family has lived in Shiawassee County for over 60 years, with the third generation entering Durand Area Schools. This scholarship fund has been set up in honor of the Jokinen Family, and would specifically like to award the scholarship to a student who has diabetes. Diabetes is a disease that has affected the Jokinen Family for many years. Adam Jokinen, son of Ross and Terry, was diagnosed with type 1/juvenile diabetes his sophomore year of high school. Knowing the struggles a young person may face living with this disease, this scholarship is intended to help both financially and also encourage the young person to pursue post-secondary training, specifically in the healthcare/medical field. This scholarship is to be awarded to a Shiawassee County senior or graduate, with preference given to a student who attended Durand High School. The student must be attending a Michigan college, university, trade, or vocational school and be studying something in the healthcare/medical field. The student must have diabetes, with preference given to an individual with type 1/juvenile diabetes.

## **Margaret Scoutten and Raymond O. Nash Memorial Scholarship Fund**

This fund was established in memory of Margaret Scoutten and Raymond O. Nash with the Laingsburg Community School District. In 2020, the funds were transferred to the Shiawassee Community Foundation to manage the endowed scholarship fund. The purpose of this fund is to award a scholarship to a Laingsburg High School senior who is an average or above-average student, a good citizen with high moral character who is also a leader. Preference will be given to NHS students and students that have demonstrated excellent citizenship within his/her school community.
