# ABOUT THE FOUNDATION

## Mission

Enriching lives in the Shiawassee County region through strong community relationships and good stewardship of our funds. For good. For ever.

The Shiawassee Community Foundation began in 1974 with \$5 and a simple vision: improve the quality of life for people in Shiawassee County.

Forty-eight years later, that vision is still being realized through the distribution of more than 100 scholarships and grants annually. The combined assets of the funds managed by the Foundation have grown to exceed \$12 million
